Dismembered

Includes Killer's Gruesome Confession! "She had beautiful legs. I wanted to keep those legs."
One by one, investigators found the women's bodies. Each one carefully posed. Each one
brutally mutilated. An arm here. A leg there. A breast, nipples, a tattoo. The killer was cutting his
victims to pieces. . . "At that point, I pretty much went for the head." For ten years in Baton
Rouge, Louisiana, the killings went on. Women of slight stature were hunted down, bludgeoned
and strangled. And what the killer did with their bodies in the privacy of his car, his home, his
kitchen, and his shower-was beyond anything police could imagine. "I was pure evil." When
investigators finally caught mild-mannered, Star Trek fan Sean Vincent Gillis, he couldn't wait to
tell his story. In the presence of shocked veteran detectives, Sean told them every detail of his
killings, everything he did with the bodies. . . And he smiled the whole time. . . Includes 16
pages of shocking photographs Warning: Contains Graphic Details

Blood Bath

They Knew He Was Out There He took his time. He watched his victims and chose carefully.
Then he struck--each attack more brutal than the last. By the time detectives arrived, all they
found were gruesome crime scenes of bloodied, brutalized bodies. . . They Knew He Would
Strike Again For more than ten years in South Louisiana the killings went on. Task forces were
formed. The killer even spent time in jail. But that wouldn't stop the bloodshed. One victim was
stabbed with a screwdriver 83 times. . . But They Couldn't Stop Him--Until Was Too Late He
was a father. A husband. A co-worker. And a killer. Derrick Todd Lee was ultimately convicted
of two savage murders and tied to at least seven more. From the slender trace of DNA that
finally nabbed him to the courageous prosecutors who took him down in court, this is the
shocking story of a homicidal maniac hiding in plain sight--and an evil that could never be
washed away. . . Includes 16 pages of shocking photographs Previously published as I've Been

I've Been Watching You - The South Louisiana Serial Killer

“Rigor mortis had set in by the time police arrived,” Special Prosecutor Tony Clayton told the jury, watching their eyes as they viewed the photograph of the bloodied arm of Geralyn Barr DeSoto. Geralyn’s clenched fist, frozen in death away from her body, held her secret. “Geralyn was trying to tell us something. She was telling us how hard she fought. She was telling us who her killer is. ‘Right here,’ she said. ‘Right here I have the killer. Just open my hand. Just open my hand, and you’ll know who did it to me.’” Two months later: “Charlotte Murray Pace fought from one room of that apartment to the other,” Prosecutor John Sinquefield told jurors as they blinked tears away. “She clawed, she hit, she fought. As her young, strong heart pumped its last blood out of the holes he cut out of her, she fought. And in the fight, he took her life, her body. But he could not take her honor. She preserved her honor by the way she lived and the way she died. That fight is not over, ladies and gentlemen of the jury. Charlotte Murray Pace has brought her fight to you.” These crimes are vividly depicted in this first comprehensive book about Derrick Todd Lee. I've Been Watching You—The South Louisiana Serial Killer dramatically tells the story of Lee’s life and follows the timeline of his reign of terror over South Louisiana. Readers will become intimately acquainted with the seven victims who have been linked to Lee by DNA, along with the frustrated investigators who could not catch this diabolical killer. This recounting also details the murders of ten other women who were not connected by DNA, but whom these authors believe should be included on the list of Lee’s victims due to strong circumstantial evidence. There are many unanswered questions regarding these series of killings. How did Lee find his victims, and why did he choose them? Why didn’t the Multi-Agency Homicide Task Force believe he was the killer when his name was brought repeatedly to its attention? What evil possessed him to rape and murder so many women? All of these questions are answered as I've Been Watching You journeys for more than a decade through the small towns and swamps of South Louisiana to create a graphic accounting of Lee’s vicious rapes and homicides. I’ve Been Watching You vividly paints the portrait of this monster and the beautiful women who died as a result of his twisted compulsion to kill.

Killer Twins

The chilling true story of the Spahalski brothers, who looked alike, acted alike—and killed alike . . . Robert Bruce Spahalski and Stephen Spahalski were identical twins. Same hair, same eyes, same thirst for blood. Stephen was the first brother to kill—by viciously bashing in storeowner Ronald Ripley’s head with a hammer. Unlike Stephen, Robert didn’t stop with just one victim. With the cord of an iron, Robert strangled prostitute Morraine Armstrong during sex. With his bare hands, he choked his girlfriend Adrian Berger. He brutally bludgeoned to death businessman Charles Grande. Even his friend Vivian Irizarry didn’t escape his lurid killing spree. Robert ultimately confessed to the four murders in vivid detail. But police suspected there were many more. The twins’ twisted story became even more bizarre as the true nature of their sick psyches came to light.
